

Murray Hall puts its trust in PTSG

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has entered into a contract to provide specialist water hygiene services for Murray Hall Community Trust.

Set up in 1994 with little funding, the Murray Hall Community Trust has grown and now provides a range of services for children, families, young people and end of life care to communities across Sandwell and the Black Country.

The trust has responded to many of the needs in the community and over the years co-designed new solutions with community members and other stakeholders. It provides a range of innovative services for children, families, young people and adults, from early years to end of life care.

Through its comprehensive provision of [water hygiene, water treatment and remedial services](#), PTSG is a trusted partner for clients in all industry sectors. Its services ensure the safe management of water systems, with protection from Legionella and compliance with the necessary regulations. Its focus is on reliability and sustainability and saving companies time and money.
