

## PTSG goes to Wirral hospital

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) is now working with NHS Wirral University Hospital to deliver a wide variety of water hygiene services.

Wirral University Teaching Hospital NHS Foundation Trust provides healthcare for people of the Wirral Peninsula and the surrounding areas of North West England and North Wales.

The Trust was established by The Wirral Hospital National Health Service Trust (Establishment) Order 1990, coming into force on 21 December 1990. Prior to gaining teaching accreditation and authorisation as a Foundation Trust status in 2007, the trust was known as Wirral Hospital NHS Trust.

The Wirral Women and Children's Hospital was founded in 2011 following redevelopment of the maternity annexe on the Arrowe Park campus.

TEC forms an integral part of [PTSG Water Treatment Ltd](#) and will be delivering a variety of water treatment services for properties and assets within the Procurement Assist Framework.

PTSG offers a wide range of services in industrial water hygiene and water treatment, combining the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. As a trusted partner to customers in a wide range of industry sectors, the Group ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
