

Jaguar secures Spitalfields Estate

2 years ago

Jaguar Building Services is pleased to announce that it has secured a contract at Spitalfields Estate for the provision of M&E maintenance services.

Spitalfields, located in E1, is well known for its market and also offers an array of restaurants, street food, shops and boutiques. Events are also common in the community areas, such as regular choir meetings, dance lessons and food tastings which are all helping to bring local people in the area together.

Sid Newbon, Business Unit Head said: “Mobilisation at Spitalfields is now complete and went smoothly. It’s fantastic to be a part of this development, and watch the area thrive. We look forward to the year ahead, and to delivering a first-class engineer led service for our customers at Spitalfields.”
