

## New Contract Win at 11 Westferry Circus

2 years ago

Following a recent tender process, [Jaguar Building Services](#) is delighted to confirm that it has been successful in securing 11 Westferry Circus. Jaguar will be providing M&E maintenance services to the property for a fixed 3-year term.

The 140,000 sq. ft corner office building is situated in one of Europe's largest and most successful business districts, Canary Wharf. The area offers occupiers a world class retail offering, with over 300 shops, cafés, bars, and restaurants.

Account Manager, Danny Noakes, commented: "We are thrilled to be expanding our portfolio with leading commercial property managers, MAPP. We are in the process of implementing a full site team ahead of the contract commencement date, and we are currently holding weekly mobilisation meetings to ensure we deliver a quality mobilisation programme that is going to set us in good stead for the contract period."
