

Prime Facility Services Win 5-Year Cleaning Contract with Wrekin Housing Group

2 years ago

Cleaning specialists [Prime Facility Services](#) has been awarded a five-year contract with Wrekin Housing Group.

The cleaning contract covers a range of sites for Wrekin, who provide affordable homes for over 28,000 people across Shropshire, Telford, and Wrekin & Staffordshire.

Anita Francis, Area Manager with The Wrekin Housing Group said: “We were delighted to welcome Prime Facility Services as our new cleaning contractor. Their submission met all our requirements and we have been very impressed with all their work so far. The quality of their cleans are very high, they work safely and it’s fantastic to work with a local company that share our values.”

Prime have TUPE transferred over 30 staff from the previous contractor, along with a dedicated Contract Manager.

Prime are also tasked with helping clean properties in readiness for new tenants to move in.

Jacob Perry, Regional Catering Manager at the Wrekin Housing Group said: “Prime conducted their first deep clean for recently. The standard of the clean was excellent and I was impressed with the machinery and cleaning products being used.”

Corina Dennis, Managing Director at Prime Facility Services, commented: “Prime share many social values with Wrekin, so we were delighted to win this contract after a robust selection process. Our operational

improvements have already produced positive results both for Wrekin customers and for the staff we have transferred over.”
