

PTSG delivers specialist services at fashionable Edinburgh restaurant

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS, is now supporting the Duck and Waffle in St James Quarter, Edinburgh with a variety of Water Treatment Services.

The Duck and Waffle is a fashionable restaurant with branches in both Edinburgh and London. Influenced by broad European and British influences and spirit, the restaurants have created a vibrant atmosphere through their range of dishes designed for sampling and sharing. Duck and Waffle welcomes guests for breakfast, brunch, dinner and late-night menus. Edinburgh's branch is situated.

St James Quarter is a large galleria retail shopping centre and residential development in the centre of Edinburgh, Scotland. It is situated in the east end of the New Town.

HCS forms an integral part of [PTSG Water Treatment Ltd](#) and will be delivering a variety of water treatment services at the Duck and Waffle.

PTSG offers a wide range of services in industrial water hygiene and water treatment, combining the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. As a trusted partner to customers in a wide range of industry sectors, the Group ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
