

## PTSG to deliver specialist services at London regeneration project

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to provide specialist electrical services at a regeneration project in Newham, south-east London.

3 Thames Road is a site covering approximately one acre in the heart of the Silvertown regeneration, on the north bank of the Thames, close to London City Airport. Comprising a former storage facility, the property benefitted from detailed planning permission for 161 apartments across 3 blocks of 8, 9 and 12 storeys. The project includes landscaping and associated works.

Engineers from [PTSG Electrical Services Ltd](#) will install a brand-new lightning protection at 3 Thames Road to ensure the structures and all users are protected in the event of an electrical storm.

PTSG Electrical Services Ltd is one of five independent divisions of PTSG. The other divisions are PTSG Access & Safety Ltd, PTSG Building Access Specialists Ltd, PTSG Fire Solutions Ltd and PTSG Water Treatment Ltd. Together, they deliver the full range of specialist services to the construction and FM sectors.
