

Vertas Group partners with Anglia Ruskin University

2 years ago

The Vertas Group is proud to be partnered with Anglia Ruskin University. ARU is one of the top 350 institutions in the world and was recently placed in the Times Higher Education World University Rankings 2023, for the sixth successive year.

They are also one of the top 40 universities in the United Kingdom.

A spokesperson said: “Vertas’ close working relationship means it is perfectly placed to offer their Higher Level Apprenticeships. The ARU Apprenticeships are an ideal alternative work-based route to degree/higher level education and are delivered in a blended manner, so students can study alongside getting real world experience. The courses available will give students the knowledge, skills, and behaviours to flourish in your role.

“We are dedicated to working with everyone who wants to study alongside their day-to-day role and do everything in our power to ensure that you can follow your desired career path. If you would like more information on ARU courses or want to discuss how the Vertas Group can help you, [contact us](#) today.”
