

Winners of UK Innovation Challenge

2 years ago

CBRE Global Workplace Solutions (GWS) announced the winners of its annual UK Supplier Innovation Challenge held in London.

The company states that innovation is core to its mission to create tomorrow's FM solutions, which is why it challenged its supply chain to demonstrate innovative ideas, new ways of working, and best-in-class client solutions.

Over 140 submissions were received across the five categories of Workplace Experience, Digital & Technology, ESG (Environmental, Social, and Governance), Diversity & Social Value and QHSE (Quality, Safety, Health and Environment).

Each finalist presented to a panel of judges from CBRE and client companies, and five overall winners were selected:

- Workplace Experience – [BetterShared Ltd](#)
- Digital & Technology – [Future Motors Ltd](#)
- ESG – [Naked Energy Ltd](#)
- Diversity & Social Value – [The Glasshouse](#)
- QHSE – [Premier Technical Services Group Ltd \(PTSG\)](#)

The winners will receive a 12-month programme of support to drive trials and implementation across the company's extensive UK client portfolio.
