

New contract signed with Merseyside Youth Association

2 years ago

Liverpool-based FM service provider Avrenim has been awarded an FM contract with local charity Merseyside Youth Association.

The works include delivering planned and preventative maintenance for two of the charity's buildings – the MYA Head Office in Hanover Street in Liverpool City Centre, and Gordon Youth Centre in Bootle.

Established in 1890, Merseyside Youth Association provides practical and positive support to children and young people across the region.

Avrenim head of estates Mark Taylor said: "We couldn't be happier to be working with such an incredible organisation that makes a positive difference to so many young people lives across Merseyside."

"The Avrenim team prides itself on delivering the best possible service to all customers. Our personal approach to each customer relationship enables us to develop a bespoke facilities management package to best suit the organisation, this is something which helped us secure this new contract."

Merseyside Youth Association technical/communications and support services administrator Michael Hines said: "Avrenim have impressed us with their expertise and understanding of our requirements, we look forward to working closely with team on this project."

"Avrenim's delivery of this service will ensure that all routine and reactive maintenance works are carried out efficiently giving us peace of mind."
