

PTSG makes the grade for Ratcliffe College

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company Total Environmental Compliance (TEC), has completed a project to provide specialist [water treatment and hygiene services](#) at Ratcliffe College, in the heart of the Leicestershire countryside.

Ratcliffe College is an Independent Catholic Co-educational Boarding and Day School. The college buildings date back to 1847 and were designed by Augustus Welby Northmore Pugin, the architect who designed the Palace of Westminster.

PTSG's team of Legionella Risk Assessors are very experienced in working in buildings of all ages and scales and have delivered a Legionella Risk Assessment at Ratcliffe College.

Through its comprehensive provision of water hygiene, water treatment and remedial services, PTSG is a trusted partner for clients in all industry sectors. Its services ensure the safe management of water systems, with protection from Legionella and compliance with the necessary regulations. Its focus is on reliability and sustainability and saving companies time and money.
