

PTSG to deliver specialist electrical services at Tower Bridge Court

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) is to deliver specialist electrical services at a refurbished and extended commercial building on the southern bank of the River Thames.

Tower Bridge Court (TBC.London) is the latest addition to the ever-changing Thames southern bank. Holding a high-profile position overlooking the river and iconic Tower Bridge, TBC.London is set to be a dynamic space for large and small corporate occupiers. It will also be one of the most sustainable, socially impactful offices anywhere. All electric and Net Zero carbon, energy use will be 60% below planning requirements. Targeting BREEAM “Outstanding”, EPC A, WELL “Platinum”, Wired Score “Platinum”, TBC will be in the top handful of buildings in Europe.

Engineers from [PTSG Electrical Services Ltd](#) will design, supply, install and commission a brand-new lightning protection system for the refurbished TBC.London.

PTSG is the UK’s leading provider of lightning and surge protection services, whilst also delivering specialist earthing solutions to clients in all industry sectors. PTSG Electrical Services Ltd is one of the Group’s five independent business divisions; the other four are: PTSG Access & Safety Ltd, PTSG Building Access Specialists Ltd, PTSG Fire Solutions and PTSG Water Treatment Ltd.
