

BSC International Safety Award 2023 for AD Construction

2 years ago

[AD Construction Group Ltd](#) has received an International Safety Award for protecting its employees from the risk of injury and ill health at work during the 2022 calendar year.

AD Construction Group is one of 296 organisations to win a Merit in the International Safety Awards 2023.

Now in their 65th year, the [International Safety Awards](#) recognise and celebrate organisations from around the world which have demonstrated to the satisfaction of the scheme's independent judges their commitment to preventing workplace injuries and work-related ill health during the previous calendar year. The awards also acknowledge organisations that have shown commitment to wellbeing and mental health at work.

In 2023, 774 organisations won an International Safety Award. They span all sectors with significant representation from the construction, manufacturing, oil, gas, mining, power and utility sectors. Winners were drawn from 44 countries worldwide. 136 organisations were awarded a Distinction, 296 organisations were awarded a Merit and 342 organisations achieved a Pass.

Mike Robinson, Chief Executive of British Safety Council, congratulated AD Construction Group on their success in winning an International Safety Award 2023 with a Merit:

"The British Safety Council applauds AD Construction Group on their achievement. The award is in recognition of their commitment and hard work to keep their employees and workplaces free of injury and ill health.

The vision of British Safety Council is that no-one should be injured or made ill through their work – anywhere in the world. Achieving this requires more than complying with legislation; it means people committed not only to health and safety but also more and more to workplace wellbeing and impelling

others to follow suit.

The long list of winners of the International Safety Awards, demonstrates that a significant number of companies recognise that effective management of health and safety risks is a business growth enabler, benefiting not just employees, but organisations and wider society. By celebrating the achievements of the 774 winners of the 2023 International Safety Awards and over six decades of improving health and safety standards around the world, we encourage other organisations to adopt this approach and place employees' health, safety and wellbeing at the core of their business.

"Our heartfelt congratulations to AD Construction Group. All of those working at AD Construction Group should be enormously proud of their achievement."
