

## G4S is first non-police service to achieve abnormal load escorting accreditation

2 years ago

[G4S](#) is the first and only UK company and non-police service to gain accreditation to allow specialist security officers to stop and manage traffic as they escort moving Abnormal Indivisible Loads (AILs) on the roads.

G4S, part of [Allied Universal®](#) , is a leading security and facility services company that provides proactive security services and cutting-edge smart technology to deliver tailored, integrated security solutions.
