

PTSG company NSS Group is at the Facilities Show

2 years ago

NSS Group, part of [Premier Technical Services Group Ltd \(PTSG\)](#), is appearing at stand FM3470 at “The world’s most important facilities management event” – The Facilities Show, at the Excel London.

From 16-18 May, companies from a wide variety of facilities management, including security, home decoration, maintenance, work safety and equipment and technologies, have the opportunity to demonstrate their capabilities to hundreds of visitors. The agenda also includes insightful talks from a range of industry speakers.

NSS Group offers a vast range of high-level maintenance and cleaning services as well as full UK coverage for reactive 24/7 reactive roof, gutter and glazing repairs. It forms an integral part of [PTSG Building Access Specialists Ltd](#), one of PTSG’s five independent business divisions.

Together with PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Fire Solutions Ltd and PTSG Water Treatment Ltd, the Group is one of the Europe’s leading providers of specialist services to the construction and FM sectors.
