

PTSG gears up for project at Mercedes-Benz World

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has secured a contract to deliver specialist water treatment services at Mercedes Benz Properties.

Mercedes-Benz World is a facility open to the public at the historic Brooklands motor racing circuit in Weybridge, Surrey. It is owned and operated by the Mercedes-Benz Group and opened in October 2006. Since then, over three million people have visited.

Mercedes-Benz World was the first track in the UK to provide the MSA's (Motor Sports Association) newly developed coaching course leading to a professional certificate in coaching motorsport – the highest coaching qualification currently available in motorsport in the UK aimed at professional race instructors and race teams.

In this project, engineers from [PTSG Water Treatment Ltd](#) will deliver a variety of Water Treatment Services. Through its comprehensive provision of water hygiene, water treatment and remedial services, PTSG is a trusted partner for clients in all industry sectors. Its services ensure the safe management of water systems, with protection from Legionella and compliance with the necessary regulations. Its focus is on reliability and sustainability and saving companies time and money.
