

PTSG gets down to business in Glasgow

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver a variety of services at Parkhouse Business Park in the north of Glasgow.

This family-owned business is set within 17 acres of grounds and is the former headquarters of Scottish Water. It now provides a mix of warehouses, workshops and office accommodation. The park provides an ideal working environment for businesses to prosper and grow.

Parkhouse has also played host to a range of productions including dramas, films, children's TV and commercials. It offers production offices, prop stores and build space and costume and make-up facilities.

PTSG Water Treatment Ltd has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors. As one of five independent businesses divisions within PTSG Water Treatment Ltd combines the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
