

Wirral Teaching Hospital treated by PTSG's specialists

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) is proud to be working with the Wirral University Teaching Hospital NHS Foundation Trust delivering specialist water treatment services.

Wirral University Teaching Hospital NHS Foundation Trust is the biggest employer in the area and sits at the heart of the local community. It is home to Wirral's only Emergency Department and one of the biggest and busiest acute NHS trusts in the Northwest.

Engineers from [PTSG Water Treatment Ltd](#) will be working across all Wirral Hospital Trust sites to deliver a complete range of legionella, water treatment and water hygiene services, ensuring that the Trust is fully compliant with all legislation such as ACoP L8, HSG 274 (Parts 1-4) and HTM-0401.

PTSG's team has significant experience of successfully operating within healthcare environments and to HTM-0401 guidance. They understand the importance of ensuring each Trust remains on target with compliance goals.

PTSG's senior management team within Water Treatment has a cumulative 150 year's industry experience in England alone, offering a friendly, detailed, and personalised service to clients.
