

Double victory at Security Officer Awards

2 years ago

OCS celebrated a double victory at the ACS Pacesetters Security Officer of Distinction Awards at the end of last month. Security officers Ellie Senior (Incentive FM) and Roger Squire (OCS) both received a Security Officer of Distinction Award for their contribution to security services.

The ceremony took place at Royal Windsor Racecourse where Ms Senior, Mr Squire and other frontline security officers were recognised for their outstanding work.

Ms Senior has worked at the Bluewater site since 2018, where she has demonstrated outstanding service and dedication. As a result of her vigilance, she has helped to recover over £5,000 of stolen stock from River Island after it was targeted by an organised gang.

In 2022 Mr Squire responded to a security incident which turned into a medical emergency. He used his skills and experience to adapt to a rapidly evolving emergency and took great care in dealing with an offender who became a critically ill casualty.

OCS Security managing director Steven Moore said: "Congratulations Ellie and Roger on this well-deserved recognition. Your professionalism and commitment to excellence make you both valued members of the OCS team and a credit to the security industry. We thank you for your outstanding contributions."

The ACS Pacesetters membership is made up of contract security guarding companies that are in the top 15% benchmarking and achievement levels set by the Security Industry Authority Approved Contractor Scheme (SIA ACS). This provides a recognised hallmark of quality for all security companies with that status within the private security industry.
