

Jaguar wins M&E Contract at Globally Renowned Tech Company

2 years ago

Following a competitive tender process, [Jaguar](#) has been awarded the M&E contract at a globally renowned tech company in King's Cross.

Sid Newbon, Business Unit Head, commented: "We are delighted to be working with this globally recognised technology company. Our Account Manager, Jamie Gray, will be working towards getting the right engineering team in place to provide a bespoke M&E solution. We look forward to collaborating with the management team and forming a long-lasting relationship."
