

PTSG attends NAHFO conference

2 years ago

Premier Technical Services Group Ltd (PTSG), via constituent company Trinity Fire & Security, has attended the NAHFO conference for the National Association of Healthcare Fire Officers for two days during the week commencing Monday 5th June.

The main objective of NAHFO is to promote and encourage the furtherance of the highest standards of fire safety in healthcare premises. Its Annual Conference and Exhibition in Stratford upon Avon brings together fire professionals from across the healthcare industry for an informative and educational event focused on networking, exchanging ideas, and sharing best practices.

Trinity is part of PTSG Fire Solutions Ltd; at the NAHFO event, its specialists were discussing all things fire and security and how they support organisations from all industry sectors.

Fire safety must be the foundation upon which all buildings are constructed, with rigorous regular testing and maintenance. It is now integrated as one of PTSG's biggest growth areas; by continuing to keep quality and safety clearly aligned, PTSG Fire Solutions Ltd safeguards the users of the buildings its team works on.

PTSG provides a full range of fire prevention and suppression systems and tailored security systems for a every kind of public and private building:

- Dry and wet riser installation and maintenance
- Fire detection and life safety systems
- Security systems
- Sprinkler systems
- Passive fire services
- Fire hydrants and pumps

- Pump room servicing and maintenance
