

## PTSG's Next challenge

2 years ago

Premier Technical Services Group Ltd (PTSG) has been awarded a contract to deliver specialist cleaning services for multi-national clothing, footwear and home products retailer Next.

Headquartered in Enderby, Leicestershire, Next plc has over 700 stores worldwide of which approximately 550 are in the UK. Next is the largest clothing retailer by sales in the UK, having overtaken Marks & Spencer in 2014.

Next has three main channels: Next Retail, a chain of 550+ retail branches in the United Kingdom; Next Directory, a home shopping catalogue and website with more than three million active customers, and Next International, with 180+ international stores. Its other businesses include Next Sourcing, for own brand products; Lipsy, which designs and sells its own branded younger women's fashion products through wholesale, retail and website channels.

In this contract, teams from PTSG Building Access Specialists Ltd will undertake window cleaning across all 550+ Next stores throughout the UK.

PTSG is one of the UK's leading providers of window cleaning services, working with a vast number of companies from all kinds of industry sectors. Its teams are highly skilled in the use of rope access/abseiling techniques, BMU/cradle access, MEWPs and ladder work. This allows PTSG to carry out full cleans at even the most challenging sites.
