

Stadium Support Services win four-year, multi-site, facilities management contract with QPR

2 years ago

London-based Facilities Management company, Stadium Support Services has been appointed to provide a comprehensive range of essential services to both the stadium and training ground for the championship side, including maintenance, match day logistics, and project management.

Stadium Support Services has worked closely with Queens Park Rangers (QPR) for the past four years. During this time, capex and maintenance projects for the club have been a focus, earning Stadium Support Services a reputation for expertise, reliability, and attention to detail.

The new contract to manage and maintain the facilities at both the Loftus Road Stadium and the new state-of-the-art training ground is a testament to the strong relationship built with QPR over these years.

Joshua Scott, Head of Operations, QPR, commented: "We have reached a very important and exciting time at the club with access to our new training and squad facilities, and is therefore critical we are supported by the best suppliers as we transition into the 23/24 season and beyond. Stadium Support Services is the club's trusted partner, having repeatedly demonstrated to us their commitment and quality of work when delivering complex projects. We look forward to the continued provision of high-quality service to our team, supporters, staff, and fans."

Under the terms of the contract, in addition to delivering the day-to-day maintenance and match-day services, Stadium Support Services will also be responsible for deploying a new CAFM system. This will ensure the two sites remain compliant, meeting statutory regulations at all times.

“We are thrilled to have been awarded this new and exciting contract with QPR and to be given the opportunity to work as a trusted partner with such a historic football club. QPR is a forward-thinking club committed to driving high standards on and off the pitch” said Scott Hudson, Operations Director of Stadium Support Services.

“Our collaborative efforts over the past four years in developing a roadmap, demonstrate the promising future that lies ahead for QPR. We look forward to the continuation of our partnership with the club, as we work together to support their journey towards achieving new heights of success.”

Queens Park Rangers (QPR) is a professional football club based in West London with a history dating back to 1882. With a capacity of just over 18,000, QPR’s home ground, Loftus Road Stadium is located in Shepherds Bush and is renowned for its iconic atmosphere.

Stadium Support Services is a leading facilities management company, based in the Southwest of England and provides a wide range of in-house services to clients in the sports, entertainment, and leisure industries across the country. The business specialises in reactive maintenance, cleaning, and rope access. With 20 years of experience, the company has established a reputation for excellence, delivering innovative and cost-effective solutions to meet the needs of its clients.
