

Edinburgh show receives royal treatment from PTSG

3 years ago

[Premier Technical Services Group Ltd](#) (via constituent company HCS) has been contracted to deliver water treatment services at the Royal Highland Centre, Edinburgh.

The Royal Highland Centre in Ingliston hosts the annual Royal Highland Show, showcasing the best of food, farming and rural life. The Grand Parade is hugely popular and the Grandstand fills up quickly in the afternoons of Friday, Saturday and Sunday. Prize-winning cattle can be seen gracefully wending their way across the main ring.

In this contract, engineers from HCS will deliver a variety of water treatment services at the Royal Highland Centre to the safe management of water systems.

PTSG is a premium provider of Legionella control and management of water systems; its team delivers services for customers in all industry sectors.

[PTSG Water Treatment Ltd](#) has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors. As one of five independent businesses divisions within PTSG Water Treatment Ltd combines the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
