

PTSG's services are a shot in the arm at vaccination centre

2 years ago

[Premier Technical Services Group Ltd](#) (via constituent company HCS) has been contracted to deliver water treatment services at the Bon Accord Vaccination Centre, Aberdeen.

The main vaccination centre for Aberdeen had previously been based at Norco House since September 2021 but moved in June 2023 to the unit in the Bon Accord Centre formerly occupied by TopShop. The World Health Organisation recently declared that Covid-19 is no longer a global health emergency. The service from within the Bon Accord Centre will offer a “more targeted” Covid-19 vaccine programme.

In this contract, engineers from [PTSG Water Treatment Ltd](#) will deliver a variety of water treatment services at the Bon Accord Centre to maintain the safe management of water systems.

PTSG is a premium provider of Legionella control and management of water systems; its teams deliver services for customers in all industry sectors.

PTSG Water Treatment Ltd is one of PTSG's five independent business divisions. The other four are PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd and PTSG Fire Solutions Ltd.
