

Holiday Inn Express Dundee welcomes PTSG

3 years ago

[Premier Technical Services Group Ltd](#) (via constituent company HCS) has been contracted to support Holiday Inn Express Dundee with specialist water treatment services.

Founded in 1990, Holiday Inn Express is a mid-priced hotel chain within the InterContinental Hotels Group family of brands. As of January 2023 there were 3,091 Holiday Inn Express hotels featuring over 292,000 rooms worldwide. Because the chain has been undergoing tremendous growth, the majority of Holiday Inn Express hotels are brand new or newly renovated.

In this contract, engineers from HCS will deliver a variety of water treatment services at Holiday In Express Dundee.

PTSG is a premium provider of Legionella control and management of water systems; its team delivers services for customers in all industry sectors.

[PTSG Water Treatment Ltd](#) has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors. As one of five independent businesses divisions within PTSG Water Treatment Ltd combines the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
