

Kingdom Services Group attains prestigious ISO accreditations, showcasing commitment to quality management service

3 years ago

[Kingdom Services Group](#) is proud to announce their attainment of multiple ISO accreditations, including ISO 9001, ISO 14001, ISO 45001 and ISO 27001.

The company has demonstrated its unwavering commitment to excellence across various areas of the business, resulting in the extension of its certification to include [Kingdom Academy](#).

Undergoing the annual audit that comes alongside the ISO certification, Kingdom Services Group showcased its dedication to maintaining the highest standards across its operations. The group achieved certification across four critical standards:

- ISO 9001: Quality Management Systems.
- ISO 14001: Environmental Management Systems
- ISO 45001: Health & Safety Management Systems.
- ISO 27001: Information Management Systems.

The audit was conducted by [3Core2 Certification Ltd](#), a globally recognised certification body.

Donn Houldsworth, Managing Director of [3Core2 Certification Ltd](#), said: “Carrying out a full and thorough audit of Kingdom’s systems and processes was a fantastic opportunity to see Kingdom at its best. The easiness of being able to follow Kingdom’s management system is a testament to the professional

application of the standards and its compliance in all locations. In addition, the new extension to the scope for Kingdom Academy also went extremely well.”

Kingdom Services Group remains steadfast in its dedication to providing best in class services and upholding the highest industry standards. The company’s achievements in obtaining these accreditations serve as a testament to its ongoing commitment to excellence.
