

Nominations sought for industry awards

2 years ago

The Pump Industry Awards are calling for nominations for the BPMA annual programme, to recognise and reward the achievements of pump businesses, large and small for over two decades.

Throughout that time, it has become one of the leading events to serve the industrial and commercial arena, the organiser states.

The closing date for all entries is Friday 5 January 2024, providing plenty of time to consider, prepare and submit entries. Entering is simple, and putting forward a nomination is described as demonstrating confidence in the quality of the work completed and the people, products and projects involved.

The gala dinner and presentation ceremony will take place on Thursday 14 March 2024 at The Hilton, St George's Park in Burton on Trent.

The online entry forms will remain on the dedicated awards website - www.pumpindustryawards.com - until the entry deadline of 5pm on 5 January 2024.
