

PTSG starts work with St Andrew's Healthcare

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS Water Treatment Ltd, has entered into a contract with St Andrew's Healthcare to provide water monitoring and water treatment services.

St Andrew's Healthcare is a large independent charity based at St Andrew's Hospital in Northampton, which provides psychiatric services. It also has sites in Essex, Birmingham and Nottinghamshire.

The charity runs specialist services for adolescents, men, women and older people with mental illness, learning disability, brain injury, autism and dementia and hosts the National Brain Injury Centre. It is a psychiatric hospital and service provider that caters for individuals requiring inpatient care and rehabilitation, and step-down housing.

PTSG is a premium provider of Legionella control and management of water systems; its team delivers services for customers in all industry sectors.

[PTSG Water Treatment Ltd](#) has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors. As one of five independent businesses divisions within PTSG Water Treatment Ltd combines the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
