

PTSG to work with City of York Council

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical services for City of York Council.

City of York Council is the municipal governing body of the City of York, a unitary authority in Yorkshire. It is composed of 47 councillors, one, two, or three for each of the 21 electoral wards of York. It is responsible for all local government services in the City of York, except for services provided by York's town and parish councils, providing local government services to around 200,000 people in an area covering approximately 105 square miles.

In this contract, engineers from [PTSG Electrical Services Ltd](#) will be delivering the Electrical Inspection and Condition Reports (EICR), together with C1/C2 remedial and other works programme.

PTSG is one of the UK's leading providers of electrical services. In addition to electrical inspection and testing, its teams also provide the design, installation and planned preventative maintenance of lightning and surge protection systems as well as power earthing systems.
