

RivingtonHark bolsters Asset Management & Finance Capabilities

3 years ago

Continuing its growth [RivingtonHark](#), a leading town centre regeneration specialists, welcomes four new hires into the business across its Asset Management and Finance teams.

Sabri Marsaoui joins as Director of Asset Management from Crosstree Real Estate Partners where he was responsible for asset and property management across the Fund's portfolio which included retail, hotel, residential, and office assets. He asset managed Edmonton Green Shopping Centre and was a key part of the team that successfully secured a residential led mixed use planning consent for the scheme.

The asset team is further enhanced by the arrival of Dan Tucker as asset manager. Dan previously worked at Thackery Estates and LCP where he focused on a mix of assets; Dan will be working on the Redical portfolio with a principal focus on The Liberty Centre, Romford.

The finance team has been joined by Viqaas Cheema as Head of Finance. Viqaas joins from Resolution Property and brings with him 12 years of experience in real estate finance. He will lead the finance function of the business including the oversight of financial reporting to external investors.

The quartet of hires is completed by Krishna Nagalla who joins as Analyst supporting the asset management and development management teams. Krishna joins from JLL where he worked for 6 years in the capital markets and investment advisory teams. He will be working across all of the existing portfolio assets on reporting, data analysis, business planning and new acquisitions.

Mark Harvey, Executive Director says "I am delighted to be welcoming Sabri, Viqaas, Dan and Krishna into the team. Our continued success in winning new mandates is testament to our people, skill and expertise in being able to deliver investor objectives across asset and development management services. These

new hires will help support our further growth and I look forward to working with them”.
