

## Mountjoy wins new maintenance contract with Chichester District Council

2 years ago

Mountjoy has secured a long-term contract with Chichester District Council for the delivery of responsive maintenance, void property works, and major works to 64 residential properties owned by the council.

The contract is valued at approximately £100k per annum for an initial three-year period, starting in September 2023. There is an option to extend the contract following this initial period, for up to two years.

Works involved in the contract will include:

- Responsive Maintenance (including Emergency Works ordered during Normal Working Hours)
- Out of Hours Emergency Works
- Major Works
- Gas Appliance Servicing and Maintenance
- Void Property Works
- Void Property Inspections
- Technical Inspections

Where properties are occupied during the works, Mountjoy will plan works effectively to ensure the safety of all residents, and high levels of customer satisfaction.
