

PTSG receives BAFE competency certificate

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) – via constituent company UK Dry Risers Ltd – is pleased to announce the receipt of a certificate to show that its work complies with the requirements of the BAFE Competency Scheme: SP105 (Competency of Organisations for the Service and Maintenance of Dry & Wet Riser/Falling Installations).

The BAFE SP105 Scheme was developed to allow personnel responsible for fire safety to easily identify competent organisations and to provide confidence their wet or dry risers have been serviced to requirements by competent personnel.

The scheme supports BS 9990:2015, Code of Practice for non-automatic fire-fighting systems in buildings. Any company wishing to be certified to the BAFE SP105 scheme must be able to demonstrate their knowledge and understanding of BS 9990.

UK Dry Risers forms part of [PTSG Fire Solutions Ltd](#) and is the nation's leading independent specialist installer of dry risers. PTSG Fire Solutions Ltd is the largest of the Group's five business divisions and provides a fully comprehensive portfolio of fire suppression, fire prevention and tailored security services for customers in all industry sectors.
