

PTSG delivers compliance services for real estate operator

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has secured a contract to provide specialist access and safety services for a real estate operator in the north-west.

Bondbay Limited operates in the letting and operating of owned or leased real estate. The company is located in Warrington, Cheshire. Founded in May 2014, it is a young, micro sized company.

In this contract, engineers from PTSG Access & Safety Ltd will install fall arrest equipment to the roofs of buildings managed by Bondbay Ltd to enable maintenance operatives to carry out their work at height safely.

[PTSG Access & Safety Ltd](#) is the original business division of the Group. In addition to the testing of fall arrest systems and equipment, its engineers also install the full spectrum of equipment and test, certify and maintain façade access equipment including building maintenance units (BMUs).

PTSG has 47 office locations throughout the UK. With five independent business divisions providing a comprehensive range of specialist services, the Group can be mobilised to virtually any location at short notice to deliver a complete solution.
