

PTSG to safeguard properties for housing trust

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has secured a contract to provide specialist access and safety services for a London housing trust which manages 38,000 homes.

Metropolitan Thames Valley provides affordable housing for people living in London, the South-East, East Midlands and East of England. It also offers a range of care and support services, with specialist areas including older people, mental health and transitional services which provide intensive support to marginalised or vulnerable people.

The housing provider delivers training programmes, events and activities for its residents, designed to boost employment opportunities and foster stronger communities. A member of the National Housing Federation the G15 – which represents London’s largest housing associations – Metropolitan Thames Valley influences policy for the benefits of our residents and the wider sector.

In this contract, engineers from [PTSG Access & Safety Ltd](#) will test fall arrest systems and equipment for Metropolitan Thames Valley to ensure maintenance operative can continue to carry out their work at height in safety.

PTSG Access & Safety Ltd is the original business division of the Group. In addition to the testing of fall arrest systems and equipment, its engineers also install the full spectrum of equipment and test, certify and maintain façade access equipment including building maintenance units (BMUs).
