

Two New Key Wins for Richard Irvin FM Housing Services Division

3 years ago

We are pleased to announce that RIFM Housing Services Division have recently been awarded two prestigious contracts with two new clients.

Through the PFH Framework we have been successful in tendering the Annual Heating Servicing and All Inclusive Repairs & Maintenance Contract for domestic council properties for East Lothian Council. This is a potential 5-year contract covering over 9,000 properties across the council area.

We have also been successful in tendering the Key Housing Association Gas Maintenance & Repair Contract (North Area), another 5-year contract!

“These contract wins further strengthen our presence in the EH and IV postcode areas and are a testament to the highly skilled staff employed in both areas. Well done to our Bid Team in procuring these contracts.” Dickson Leishman, Richard Irvin FM, Division Director, Housing Services
