

## England's second city to receive first-class services from PTSG

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has secured a contract to deliver specialist electrical services at Birmingham's long-awaited Beorma Quarter.

Located in Digbeth, the Beorma Quarter will be a major regeneration project for the city. It will comprise a mixed-use office, hotel and residential development close to the centre of Birmingham and adjacent to the Bull Ring Shopping Centre: a prestigious 93,000m<sup>2</sup> scheme which is acknowledged as one of the most successful shopping centre schemes in the UK and includes Selfridges, an iconic and widely known building.

Working for JRL Midguard, engineers from [PTSG Electrical Services Ltd](#) will provide lightning protection works at the new development.

PTSG is the UK's leading provider of lightning protection services. Its engineers work throughout the UK to design, install, test and inspect and maintain lightning and surge protection systems as well as power earthing solutions for clients in all industry sectors. This is vital in protecting buildings and users in the event of an electrical storm.
