Lewis & Graves Partnership (L&G), part of the Atlas Group, is delighted to announce that it has been awarded the cleaning contract at Handsworth School in London E4.

The 3+2 year contract commenced on 1st September 2023 and was awarded following a competitive tender process. Atlas previously supported the school with cleaning services for 14 years up until 2022.

Remuna Slapsiene, Area Manager L&G, commented: "The mobilisation went very well, with all the staff inducted and trained, and the new equipment rolled out. We are looking forward to working with the Handsworth school team and enhancing the cleaning service delivery."

James Abbott, Operations Director, L&G said:

"We are extremely pleased to be working with Handsworth School and it is great to have this contract back in the Atlas family. Our good relationships with everyone at the school and proven track record of service resulted in us being invited to bid for this contract again."
