

PTSG brings water specialism to earth services provider

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS Water Treatment, is supporting Fugro Ltd with specialist water treatment services.

Fugro Ltd is the world's leading geo-data specialist. Its aim is to create a safe and liveable world where nature is protected and people can thrive. The organisation has a number of UK offices including Aberdeen, Edinburgh and Glasgow in Scotland.

In this contract, the team of specialists from [PTSG Water Treatment Ltd](#) will deliver a variety of water treatment services at the Aberdeen site for Fugro Ltd.

PTSG is a premium provider of Legionella control and management of water systems; its team delivers services for customers in all industry sectors.

PTSG has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors. As one of five independent businesses divisions within PTSG Water Treatment Ltd combines the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
