

PTSG just the ticket for Traincare Centre

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist Access & Safety services for Alstom Transport, Wembley Traincare Centre – via long-term client CBRE.

Wembley Intercity Depot (alternatively, Wembley Brent Depot) is an Electric Traction Depot located in Wembley, London Borough of Brent, England. The depot is situated alongside Wembley Yard, on the eastern side of the West Coast Main Line, to the south of Wembley Central station.

Part of the depot was originally known as Stonebridge Park Depot, which is also the name of the adjacent London Underground facility. Stonebridge Park station, on the Watford DC and Bakerloo lines, is to the immediate south-east and Willesden Brent Sidings are across the A406 North Circular Road, also to the south-east.

In this project, engineers from [PTSG Access & Safety Ltd](#) will install new Mansafe systems at the Wembley Traincare Centre. Mansafe systems offer a personal measure of protection for users in both Fall Arrest and Fall Restraint configurations.

PTSG Access & Safety Ltd. is the original business division of Premier Technical Services Group Ltd (PTSG). It is the UK's leading installer of fall protection products, delivering solutions for customers in all kinds of industry sectors. Its experienced and highly qualified engineers deliver the full range of fall arrest equipment.
