

MOUNTJOY DONATES TO COUNCIL'S CHRISTMAS GIFT DRIVE

2 years ago

[Mountjoy](#) recently donated a number of gifts to Portsmouth City Council's Christmas Gift Drive, run in partnership with a number of organisations across the city, including local community centre, The Roberts Centre.

The donations will go towards children and families in need throughout Portsmouth, with the aim of bringing joy to people in challenging circumstances and ensuring that every child has a gift to open this Christmas.

We would like to thank Portsmouth City Council and all the organisations involved for their efforts to make a difference in the community this Christmas, and for allowing us to support such a fantastic cause
