

PTSG makes Christmas Donations

2 years ago

All year round, teams from different areas of the [Premier Technical Services Group Ltd \(PTSG\)](#) make a fantastic effort to improve people's lives through charitable donations. Christmas is perhaps the time of year when their efforts are appreciated most of all.

A team from [PTSG Fire Solutions Ltd](#) delivered items to Abingdon Food Bank for the Christmas Hampers they were preparing the early part of December. The volunteers asked for Christmas biscuits, Christmas pudding, tinned ham, tinned fruit and tinned custard. And the team from PTSG didn't disappoint!

Meanwhile, a team from [PTSG Electrical Services Ltd](#) (Sheffield office) held a Christmas Jumper Day on 7th December. It was great to see everyone getting in the festive spirit, and their efforts managed to raise an impressive £119.

Each year, PTSG's charitable donations have grown in line with the company's evolution. The Group is proud to be able to help make a difference to a number of wonderful charities. Having sadly lost key members of the team in recent years to cancer, Cancer Research is a charity that is very important to everyone at PTSG.
