

## PTSG contracted at new paper mill

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has secured a contract to deliver specialist electrical services at a new site in Deeside for Italian tissue manufacturer Industrie Cartarie Tronchetti (ICT).

Cidon was appointed to deliver the first phase of the works, managing the sub-contract packages throughout for the delivery of the following:

- Building foundations and soil improvement activities.
- Ground floor slabs
- Elevated operational slabs
- Additional works, as kerbs, walls, concrete blocks

The state-of-the-art fully integrated plant will facilitate the production and sale of tissue paper reels and of consumer products. These products will be marketed in Britain and Ireland through large retailers' private labels and ICT's own brand FOXY.

In this contract, engineers from [PTSG Electrical Services Ltd](#) will deliver a new lightning protection system to protect the facility and its users in the event of an electrical storm.

PTSG is the UK's leading provider of lightning and surge protection systems and power earthing solutions for clients to keep structures and users safe in a wide range of industry sectors.
