

PTSG fills specialist skills requirement for Gap Group

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS, has been contracted to provide specialist water treatment services for Gap Hire Solutions.

Established in 1969 by Gordon Anderson, GAP Hire Solutions is the UK's largest independent hire company. With 10 divisions and almost 200 locations across the country, it offers everything the full spectrum of hire equipment for construction projects, from diggers and dumpers to portable toilets and tankers.

In this contract, engineers from [PTSG Water Treatment Ltd](#) will deliver a variety of water treatment and hygiene services to the headquarters of Gap Group, located in Glasgow's Tyndrum Street. GAP had been in Carrick Street for 30 years but had outgrown the premises. It acquired the new property in 2021 and has invested £2.5m fitting it out.

PTSG offers a wide range of services in industrial water hygiene and water treatment, combining the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG is a trusted partner to our clients, ensuring water safety, protection from Legionella and decontamination from many other bacteria and viruses.
