

PTSG supports Salvation Army with specialist services

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist water treatment services for the Salvation Army.

The Salvation Army (TSA) is a Protestant Christian church and an international charitable organisation headquartered in London. The organisation reports a worldwide membership of over 1.7 million, consisting of soldiers, officers, and adherents who are collectively known as Salvationists. Its founders sought to bring salvation to the poor, destitute, and hungry by meeting both their “physical and spiritual needs”. It is present in 133 countries, running charity shops, operating shelters for the homeless, and disaster relief and humanitarian aid to developing countries.

It has a large presence in the UK, with over 30 churches in the community, day centres and charity shops in Glasgow alone. In this contract, engineers from PTSG Water Treatment Ltd will deliver a variety of water treatment and hygiene services for Salvation Army centres.

PTSG has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors. As one of five independent businesses divisions within [PTSG Water Treatment Ltd](#) combines the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
