1 year ago

LSH has appointed Hayley Parker as a director within their growing Alternatives Valuation Team based in Birmingham.

Parker previously spent 8 years at Christie & Co specialising in trading valuations, across the medical, leisure and care sectors for a range of purposes and clients including all the major lenders. Prior to Christie & Co Hayley spent time at Cushman & Wakefield and DTZ.

Christiaan Flatley, Senior Director at LSH, said: "Hayley's appointment comes at an exciting time for our business as we continue to grow out our trading valuations expertise and augment our unmatched national coverage".

Ken Hogg, who leads the Alternatives Valuation Team, said: "In an increasingly dynamic healthcare market, when the focus is firmly on the ability to price operational risk, the strong expertise Hayley can offer our clients in this space will be a terrific addition to the team".

Hayley will be joined by additional new recruits into the Alternatives team in the next few months.
