

PTSG appointed to NHMF Framework

2 years ago

HCS, part of [PTSG Water Treatment Ltd](#), has been appointed a place on the NHMF Framework to deliver water hygiene and maintenance of installations.

Framework Director, David Miller made the following statement: "A warm welcome to HCS Water Treatment Ltd onto the Communal Mechanical & Electrical framework, who join Framework' engaged and established supply chain and share our passion to deliver better homes and communities.

"As our tagline 'connect with the best' suggests, working with Framework gives our social housing partners access to the best choice, experience, value for money and innovation from a UK wide range of pre-qualified contractors, consultants and building material suppliers. Congratulations!"

PTSG, through its constituent companies HCS and TEC, has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors. As one of five independent businesses divisions within [PTSG Water Treatment Ltd](#) combines the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG ensures water safety, protection from Legionella and decontamination from many other bacteria and viruses.
