

PTSG delivers to a new distribution hub

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has secured a contract to deliver specialist Access & Safety services at a new distribution hub for Phoenix Medical Supplies Ltd.

Phoenix is a large and successful group of brands ensuring patients and the public have access to high-quality healthcare in the UK and across Europe. The Group comprises of six brands which have strong and established reputations across the primary and secondary care sectors.

As a result of high demand for the company's core services, Phoenix UK has invested over £13 million to build a new state-of-the-art distribution hub in Wakefield. The hub will service hospitals, community pharmacies and dispensing doctors across the North East of England and Yorkshire.

In this contract, engineers from [PTSG Access & Safety Ltd](#) will deliver a new AKM walkway, fixed guardrail and 16-metre-high access stair at the new distribution hub in Wakefield. For PTSG, access and safety encompasses all types of equipment that allows engineers to safely access all areas of every kind of building to carry out specialist services – from the testing and certification of roof anchor points to the servicing and maintenance of the world's largest BMUs.

PTSG Access & Safety Ltd is the original of the Group's five independent business divisions. The other four divisions are: PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd, PTSG Fire Solutions Ltd and PTSG Water Treatment Ltd. As a whole, PTSG can meet the full specialist services requirements of even the largest customers.
