

PTSG helps keep shopping centre fire-safe

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist fire and security solutions at a major shopping centre on the south coast of England.

Located in the heart of the port city of Southampton, the shopping centre offers well over 100 stores and services for visitors. Brand names include Tommy Hilfiger, New Look, Victoria's Secret, Marks and Spencer, Ann Summers, Levi's, John Lewis and Zara. Like most shopping centres, there are a wealth of dining options for visitors including All Bar One, The Bagel Factory, Costa and Pizza Express to name just a few.

In this contract, engineers from [PTSG Fire Solutions Ltd](#) will carry out essential works to the fire alarm system at the shopping centre. Fire detection and life safety systems have never been higher on the agenda for building owners and managers. Compliance with current fire safety legislation is mandatory to provide total safety for building users. PTSG provides initial design, installation, commissioning, long-term aftercare and training for systems including alarms, emergency voice communication systems, fire suppression systems and portable fire extinguishers.
