

PTSG stops at Junction 32

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has secured a contract to provide specialist fall arrest services at the Junction 32 shopping village in West Yorkshire.

As the name suggests, the shopping outlet is located at Junction 32 of the M62 in Castleford. This provides people with a convenient alternative to city centre shopping, with some retailers offering significant savings on high street brands.

In addition to over 90 retail stores, Junction 32 offers a variety of dining options, from coffee shops to snack outlets and a range of restaurants. There are also a variety of events such as street performers and opportunities for children's birthday parties.

In this contract, engineers from [PTSG Access & Safety Ltd](#) will undertake remedial works to mansafe systems to ensure they are compliant with the latest industry regulations (BS 7883:2019). This is specifically for the design, installation, maintenance, inspection and certification of anchor devices and systems.

PTSG Access & Safety Ltd is the original business division of PTSG and comprises some of the industry's most experienced professionals. They ensure fall arrest and access systems for customers in all industry sectors are installed, maintained, tested and certified to the highest standards.
